

It's time to get the club ready for summer!

Summer's on it's way and the annual opening of Seneca Yacht Club is fast approaching. On Saturday, May 7th, please join your fellow club members at 10:00 am to open the club for the season. We will be raking, cleaning, moving picnic tables and boats as well as having lunch when the tasks are completed. Feel free to bring rakes as well. Hope to see you there!
