Annual Meeting and Hauling Out Party

Please join us for the SYC Hauling Out Party at The Cracker Factory on Saturday, November 5. The event will run from 6:30 to 10:00 PM.

This new and improved event will replace what was our traditional sit down dinner during the annual meeting. If you have not had the opportunity to experience The Cracker Factory, a refurbished

factory and community events space located at 35 Lehigh Street in Geneva (adjacent to Club 86), this is the time to do it! The hip second floor event space has played host to numerous weddings, concerts, film festivals, and gallery exhibits.

This will be a "punchbowl" style event open to members and guests.

Children are welcome to attend with parents (\$5 for children 6-12 years old, children 5 and under are free).

The cost of the event is \$20 per person and will include a grazing station with heavy appetizers and non-alcohol beverages. Dinner will not be served.

Arrive at your convenience keeping in mind the appetizer station will only be available between 6:30 - 8:30 PM.

The CASH BAR will feature a selection of locally produced beer and wine, available for \$4.00 - \$8.00 per glass.

Live entertainment will be provided by local musicians and avid Thistle sailors, Pablo Fabru and Aaron Holland.

Trophies will be presented and brief end of year announcements will be made at approximately 8:00 PM.

RSVP by replying to this email or calling Chrissy 585-203-7102 on or before Monday, October 31.

Cleanup Day

Sadly it is time once again to get the Club ready for winter. Please stop by the Club to lend a hand on Saturday, October 29, at 10AM. Clean up day tasks will include tidying up the Clubhouse, putting kitchen items away, stacking picnic tables, putting away boats, and some dock maintenance. A light lunch will be served around 1PM as soon as work is complete. Thank you in advance, for volunteering to help take care of the Club.

The lock on the gate near the Junior Sailing dock has been replaced with a combination lock due to the loss of the original lock. The combination is the address for the club which is on the side of the club house next to the road.
